

## Baobab Oil

### Specification Sheet

**Description:** Baobab Oil is from the large Baobab fruits produced by the *Adansonia digitata* trees native to Africa. Also called the “super fruit” due to its richness in omega-3, antioxidants & vitamin A, D and C. Mostly used in premium skin moisturizers, lip balms & anti-wrinkle products. Expeller pressed, refined. Light yellow color and plain scent.

**CAS:** 225233-93

**INCI Name:** *Adansonia digitata* (Baobab) oil

**Benefits:**

- Rich, premium emollient for skin and hair care use due to its content of vitamins and omega fatty acids
- Helps soothing dry and itchy skin

**Use:** Can be added to formulas as is, add to the fat phase. Use level 1-100% in skin care products and 0.2-5% in hair care products. For external use only.

**Applications:** Lotions & creams, face oils, massage oils, products for dry skin & hair conditioners.

**Country of Origin:** West Africa

**Raw material source:** Baobab fruit seeds

**Manufacture:** Cold-pressed from seeds of Baobab fruits.

**Animal Testing:** Not animal tested

**GMO:** Not tested for GMOs, but unlikely to contain GMOs

**Vegan:** Does not contain animal-derived components
