Pearl Powder (pearl powder)	Anti-Aging	1.00	0.50	0.02	0.10

**Method**

Add Aloe Vera to a glass beaker, add sodium gluconate and blend well. Add remaining ingredients of phase A and blend well. Add phase B, one by one, blending well after each ingredient.

**Properties**

Fluid concentrate that helps restore moisture balance in the skin. Contains panthenol, phospholipids, glycoproteins, panthenol and hyaluronic acid to restore and minimize the appearance of fine lines. Helps with dryness and cares for the mature skin. Use before applying moisturizer or add to the affected areas.
