

Botanical Spray Serum - 1148

Ingredient	Function	Percent	Wgt (g)	Wgt (oz)	Vol (tsp.)
Phase A					
Distilled Water (aqua)		76.50	76.50	2.70	15.30
Alcohol Denaturated 70% (ethanol)		5.00	5.00	0.18	1.00
Witch Hazel Extract (glycerin, water, Hamamelis Virginiana [Witch Hazel] extract)		4.00	4.00	0.14	0.80
Mallow Extract (glycerin, water, Malva sylvestris [Mallow] extract)		4.00	4.00	0.14	0.80
Aloe Vera 10x Concentrate (aloe barbadensis)		2.00	2.00	0.07	0.40
Sodium Gluconate (sodium gluconate)		0.30	0.30	0.01	0.06
Xanthan Gum, Prehydrated (xanthan gum)		0.20	0.20	0.01	0.04
Phase B					
Honeysuckle Blend (Lonicera Caprifolium [Honeysuckle] flower extract, Lonicera Japonica [Honeysuckle] flower extract, water)		1.50	1.50	0.05	0.30
EyeComplex 4 (palmitoyl tripeptide-5, panthenol, sodium hyaluronate, algae [Dunaliella Salina] extract)		3.00	3.00	0.11	0.60
Provitamin B5 (d-panthenol, water)		1.00	1.00	0.04	0.20
Fragrance Blood Orange		0.30	0.30	0.01	0.06
Citric Acid (citric acid)		0.20	0.20	0.01	0.04
PEG-7 Glyceryl Cocoate (PEG-7 glyceryl monococoate)		2.00	2.00	0.07	0.40

Method

Combine all of the ingredients in phase A, stirring to ensure they are all fully incorporated. Allow the Xanthan Gum to hydrate well, under agitation, 10-15min. Add phase B ingredients one by one, stirring after each addition. Add Citric Acid so the final pH is roughly 5.5. Package into bottles with a spray dispenser.

Properties

This botanical spray serum delivers as a light moisturizer, serum and toner. Botanicals such as witch hazel, mallow, and algae extract may soothe damaged skin, provide excellent moisturization, and nourish dry skin. The serum reduces visibly the appearance of fine lines and wrinkles especially around the eyes. Also, reduces the appearance of dark circles & improves the overall complexion. This spray serum is perfect for hot summer days where you want to avoid a heavy cream yet have silky, beautiful skin.
