# ABOUT US

MakingCosmetics Inc. was founded in 1997 and we specialize in ingredients for making makeup, conditioner, lotion, and other personal care products and color cosmetics. We are proud to be one of the very first companies in the United States that has established itself as a leading retail supplier of cosmetic ingredients for businesses and individuals.

We are a FDA-registered, ISO certified, and OTC-licensed cGMP/FDA ingredient supplier. We offer a wide range of cosmetic and makeup ingredients, raw materials, and tools for manufacturing personal care products, and color cosmetics.

We are committed to providing you as many raw materials as possible derived from truly natural, GMO-free, and sustainable sources allowing you to create pure natural products that are commercially not available.

# Botanical Ingredients

Our lineup of herbal ingredients has been specifically formulated for use in skin and hair products, and are made from the best organic, pesticide-free, and ethically wild-crafted plants.

With our botanicals, you can rest well knowing you are getting a quality product that you can be proud to include in your formulations. We go the extra mile to ensure prime quality control and proper preservation of these active herbal compounds. From aloe vera to rosemary leaf, you are sure to find exactly what you are looking for in our selection of botanical extracts.

## Agave Extract

Item No. BOT-AGAVE-01-60

Extract obtained of the leaves of the sisal, *Agave Rigida*, Agavaceae. Contains 20% extract dissolved in water and glycerin.

**CAS:** 56-81-5, 7732-18-5, 165800-55-5, 122-99-6

**INCI NAME:** Agave Rigida (sisal) extract

### Benefits:

- Provides effective soothing and calming properties
- Very useful in products against dry and/or irritated skin
- Often used in hair care products for additional conditioning and softening effect

**Applications:** Soothing skin lotions, moisturizing creams, hair shampoos, hair conditioners

Prices starting at 9.90

## Albizia Flower Extract

Item No. BOT-ALBIZIA-01-60

Extract obtained from the silk tree flowers (*Albizia Julibrissin*) a tree native southwestern and eastern Asia. Contains 20% extract dissolved in water and glycerin.

**CAS:** 56-81-5, 7732-18-5, 440103-71-9, 122-99-6

**INCI NAME:** Albizia Julibrissin (silk tree) flower extract

### Benefits:

- Well-known for its potent antioxidant effects
- Provides anti-irritant and soothing effects on the skin

**Applications:** Anti-aging & anti-wrinkle creams and lotions, eye creams, after-sun products

Prices starting at 10.40

## Algae Extract

Item No. BOT-ALGAE-01-60

Mixed species and whole plant algae extract in a base of glycerin and water. Other common names are: Laminaria, Seaweed.

**CAS:** 56-81-5, 7732-18-5, 90046-12-1, 92128-82-0

**INCI NAME:** Glycerin, water, laminaria digitata extract

### Benefits:

- Has good antioxidant properties
- Moisturizes skin, especially suitable for the sensitive and irritated skin
- Nourishes the skin & hair with vitamins and minerals and protects the skin from antioxidant stress

**Applications:** Serums, creams & lotions, skin cleansers, sun- and after-sun care, sunscreens, face & hair masks.

Prices starting at 8.50

## Algae Extract & Hyaluronate Gel

Item No. BOT-ALGHYA-01-113

Algae extract and hyaluronate gel is a water-soluble mixture of algae extract and sodium hyaluronate. Sodium hyaluronate is a natural polysaccharide, or large sugar molecule, that occurs in various tissues of the skin, synovial fluids of joint, and connective tissues.

**CAS:** 90046-12-1, 7732-18-5, 9067-32-7, 122-99-6, 532-32-1, 24634-61-5, 6381-92-6

**INCI NAME:** Laminaria Digitata (algae) extract, sodium hyaluronate

### Benefits:

- Serves as a powerful moisturizer and humectant and provides smoothness while softening skin
- Hyaluronic acid can hold 500 times its own weight of water
- Algae extract is rich in vitamins and minerals and protects the skin from antioxidant stress

**Applications:** Serums, creams, lotions, skin cleansers, sun and after-sun care, sunscreens, and masks.

Prices starting at \$29.90

## Aloe Vera 10x Concentrate

Item No. HUM-ALVE-01-3800

Pure natural liquid derived from the hollow interior of the leaves of the Aloe plant (aloe barbadensis Miller), consists of >75 components.

**CAS:** 94349-62-9, 24634-61-5, 532-32-1, 77-92-9

**INCI NAME:** Aloe Barbadensis (aloe vera) leaf juice

### Benefits:

- Potent moisturizer, invigorating and soothing agent
- Has been shown to improve the appearance of aging and dry skin
- Skin feels more resilient and supple

**Applications:** All skin care products for dry skin, soothing creams & lotions, sun care and after-sun products, shampoos and conditioners for dry hair.

Prices starting at \$6.90

## Aloe Vera Powder (200x)

Item No. HUM-ALVE-02-30

Concentrated 200x aloe vera powder derived from the hollow interior of the leaves of the Aloe plant (aloe barbadensis Miller). Aloe vera consists of >75 components.

**CAS:** 85507-69-3

**INCI NAME:** Aloe Barbadensis (aloe vera)

### Benefits:

- Potent moisturizer, invigorating and soothing agent
- Has been shown to improve the appearance of aging and dry skin
- Skin feels more resilient and supple

**Applications:** All skin care products, soothing creams & lotions, sun care & after-sun products, shampoos & conditioners. Aloe vera in powder form is especially convenient when making large batches.

Prices starting at 196.90

## Aloe Vera Pure Juice

Item No. HUM-ALVE1X-01-3800

Pure natural liquid derived from the hollow interior of the leaves of the Aloe plant (aloe barbadensis Miller). BSE/TSE-free.

**CAS:** 94349-62-9

**INCI NAME:** Aloe Barbadensis (aloe vera)

### Benefits:

- Potent moisturizer, invigorating and soothing agent
- Has been shown to improve the appearance of aging and dry skin
- Skin feels more resilient and supple.

**Applications:** All skin care products for dry skin, soothing creams & lotions, sun care and after-sun products, shampoos and conditioners for dry hair.

Prices starting at \$29.90

## Apple, Peach, Wheat & Ginseng Extract Blend

Item No. BOT-APPEAWHEGINS-01-5000

Unique blend of ginseng, apple, peach, wheat and barley extracts providing a rich source of active ingredients including sugars in polymeric form, triterpenic saponosides and heteropolysaccharides. Preserved with glyceryl caprylate and glyceryl undecylenate.

**CAS:** 7732-18-5, 504-63-2, 84012-44-2, 85251-64-5, 84650-12-4

**INCI NAME:** Water, propanediol, Pyrus Malus (apple) juice, Prunus Persica (peach) juice, Triticum Vulgare (wheat) seed extract, Hordeum Vulgare (barley) seed extract, Panax Ginseng root extract

### Benefits:

- Defends the skin from environmental stress such as air pollution and exposure to wind and sun (has no SPF function)

**Applications:** Anti-aging, serums, creams, and anti-wrinkle products, after-sun treatments

Prices starting at \$21.90

## Apple Extract

Item No. BOT-APPLE-01-60

Standardized extract obtained from apple fruits (Pyrus Malus) harvested from organic crop

**CAS:** 56-81-5, 7732-18-5, 89957-48-2, 24634-61-5, 532-32-1

**INCI NAME:** Pyrus Malus (apple) fruit extract

### Benefits:

- Has excellent moisturizing properties by reducing trans-epidermal water loss (TEWL) due to the various carbohydrates
- Has slight exfoliating activities due to a-hydroxyacids (AHA)
- Offers great antioxidant properties scavenging free radicals based on the high vitamin C content and various phenols.

**Applications:** All skin care products, soothing creams & lotions, sun care & after-sun products, shampoos & conditioners. Aloe vera in powder form is especially convenient when making large batches.

Prices starting at 10.30

## Arnica Extract

Item No. BOT-ARNI-01-60

Also called Mountain Tobacco. Arnica Extract is made from the flower part & is primarily used in skin & hair care (external use).

**CAS:** 56-81-5, 7732-18-5, 68990-11-4, 122-99-6

**INCI NAME:** Arnica Montana (arnica flower) extract

### Benefits:

- Helps stimulating the skin for a fresh and rejuvenated complexion
- Widely used to soothe irritated skin and moisturize dry skin.

**Applications:** Face toners, cleansers, masks, skin lotions, creams.

Prices starting at \$9.50

## Artichoke Leaf Extract

Item No. BOT-ARTICHOKE-01-60

Artichoke leaf extract is obtained from the leaves of artichoke (*Cynara scolymus* L). The active ingredients contained in the extract are hydroxycinnamic derivatives.

**CAS:** 504-63-2, 7732-18-5, 56-81-5, 84012-14-6, 532-32-1, 90-80-2, 299-28-5

**INCI NAME:** Cynara Scolymus (artichoke) leaf extract

### Benefits:

- Provides excellent protection and resistance for shiny and healthy hair
- Preserves the cohesion of hair cuticle scales resulting that the hair's protective outer shield is maintained
- Helps promote more resilient, shiny, frizz-free and disciplined hair

**Applications:** Anti-frizz treatments, hair conditioners, hair fluids, dry hair and damaged hair treatments.

Prices starting at \$21.90

## Arugula Leaf Extract

Item No. BOT-ARUGUL-01-60

Natural extract obtained from the leaves of the Arugula (*Eruca Vesicaria Sativa*) plant dissolved in a base of glycerin and water. Arugula is rich in folic acid, vitamin A, vitamin C, calcium, magnesium and manganese, riboflavin and minerals including iron, copper, potassium and zinc.

**CAS:** 56-81-5, 7732-18-5, 90028-42-5, 122-99-6

**INCI NAME:** Eruca Vesicaria Sativa (arugula) extract

### Benefits:

- Has effective soothing & anti-irritant properties
- Highly nourishing for skin & hair due to high contents of vitamins, flavonoids & minerals
- Shows good antioxidant activity

**Applications:** Serums, creams & lotions, anti-aging products, sun- and after-sun care, hair care products.

Prices starting at 9.90

## Ashwagandha Extract

Item No. BOT-ASHWAGA-01

Natural extract obtained from the roots of the Ashwagandha plant dissolved in a base of glycerin and water. Other common names are: Indian Ginseng or Winter Cherry.

**CAS:** 56-81-5, 7732-18-5, 90147-43-6, 122-99-6

**INCI NAME:** Withania Somnifera (ashwagandha) extract

### Benefits:

- Has potent antioxidant properties, ideal for anti-aging products
- Moisturizes & conditions skin and scalp
- Nourishes & strengthens hair

**Applications:** Serums, creams & lotions, anti-aging products, sun- and after-sun care, hair care products.

Prices starting at \$9.00

## Bacillus Ferment

Item No. EXF-BAFE-01

Bacillus ferment is an enzymatic exfoliant used to exfoliate the skin and is a mild but effective alternative to alpha hydroxy fruit acids and is active at a mild pH range of 5-8.

**CAS:** 7732-18-5, 56-81-5, 57-55-6, 100085-62-9

**INCI NAME:** Water, glycerin, propylene glycol, bacillus ferment

### Benefits:

- Natural enzymes that eliminate dead skin cells to smooth the skin's surface
- Functions as non-mechanical, but enzymatic exfoliation process
- Provides younger looking skin

**Applications:** Anti-aging creams, gels and body lotions, whitening products, peels and scrubbing products, masks and non abrasive exfoliants.

Prices starting at \$39.90

## Bakuchi Fruit Extract

Item No. BOT-BAKUCH-01

Extract obtained from the bakuchi fruit (Psoralea Corylifolia Leguminosae) dissolved in a base of glycerin and water. Bakuchi fruit is also known under the name Babchi or Bogolji. The fruits contains various antioxidants and active ingredients including bakuchiol, bavachinin, bavachin, isobavachin and isobavachalcone, meroterpene and flavonoids.

**CAS:** 56-81-5, 7732-18-5, n/a, 122-99-6

**INCI NAME:** Bakuchi fruit (Psoralea Corylifolia Leguminosae) extract

### Benefits:

- Has skin-tightening effects increasing skin firmness
- Has good skin-softening and antioxidant properties
- Has antimicrobial, skin-purifying properties

**Applications:** Anti-aging & anti-wrinkle serums, creams & lotions. Skin cleansers, anti-blemish skin treatments.

Prices starting at 9.20

## Bamboo Extract

Item No. BOT-BAMEX-01

Bamboo is one of the most valuable and widespread plants. The whole plant is being used for the extract. Contains 20% of extract dissolved in water and glycerin.

**CAS:** 56-81-5, 7732-18-5, 91771-33-4, 122-99-6

**INCI NAME:** Bambusa vulgaris (bamboo) extract

### Benefits:

- Very eco-friendly ingredient. Ideal for sustainability claims in all-natural products
- Multi-purpose ingredient offering various properties making it a valuable plant for a variety of cosmetics

**Applications:** Shampoos, conditioners, hair masks, creams & lotions, skin cleansers, face masks and gels.

Prices starting at \$8.50

## Bamboo Extract in Safflower Oil

Item No. BOT-BAMEX-02

Bamboo is one of the most valuable and widespread plants. Contains 20% of extract dissolved in safflower oil which contains 71.0 - 84.0% of linoleic acid C18:2. The whole plant is being used.

**CAS:** 8001-23-8, 91771-33-4, 7695-91-2

**INCI NAME:** Safflower oil, Bambusa Vulgaris (Bamboo) extract, tocopheryl acetate

### Benefits:

- Multi-purpose ingredient offering various properties making it a valuable plant for a variety of cosmetics
- Has good moisturizing properties
- The bamboo stems are high in silica deposits which give smoothness, shininess and strength to hair.

**Applications:** Shampoos, conditioners, hair masks, creams & lotions, skin cleansers, face masks and gels.

Prices starting at \$17.70

## Bamboo Stem Powder

Item No. BOT-BAMBSTEM-01

Novel plant cosmetic ingredient for skin physical exfoliation. It is derived from solidified silica-containing material from bamboo stems (*Bambusa arundinacea*) and then milled to yield a fine powder with a particle size 200 micrometers.

**CAS:** 91771-32-3

**INCI NAME:** Bamboo (*Bambusa Arundinacea*) stem powder

### Benefits:

- Exfoliates the skin and removes impurities and regulates the skin thickness, thus providing better cellular oxygenation and a purified appearance

**Applications:** Exfoliating gels or creams, peeling products including body milk and cleansers, treatments for oily skin, exfoliant masks for impure skin.

Prices starting at \$19.90

## Black Tea Extract

Item No. BOT-BLCKTEA-02

Organic Black tea extract dissolved in water and an organic rice solution. Preserved with Leuconostoc Ferment Filtrate.

**CAS:** 68553-81-1, 7732-18-5, 84650-60-2, 68333-16-4, 9054-89-1, 9003-99-0

**INCI NAME:** Oryza Sativa (rice) extract, water, Camellia Sinensis (black tea) extract

### Benefits:

- Contains a high amount of antioxidants that help defend the skin from UV damage and environmental pollutants
- Very valuable ingredient in anti-aging formulas

**Applications:** Anti-aging & anti-wrinkle serums, creams & lotions, sun- and after-sun care, sunscreens, night creams.

Prices starting at \$8.50

## Blue Flax Extract

Item No. BOT-BLUEFLAX-01

Extract obtained from the leaves and stem of the Linum Alpinum (Blue Flax) flower. Show to reduce skin irritation by decreasing the production of ICAM-1.

**CAS:** 905593-74-0, 56-81-5, 7732-18-5, 77-92-9, 24634-61-5

**INCI NAME:** Linum Alpinum (blue flax) flower extract

### Benefits:

- Effective anti-irritant properties. Ideal for sensitive and dry skin
- Helps to reduce and calm skin irritations and blemishes
- Very valuable ingredient in after-shave and anti-aging products

**Applications:** Moisturizing and soothing products, sensitive skin, Anti-aging, post-depilation treatments, after-shaves products.

Prices starting at \$29.90

## Calendula Extract

Item No. BOT-CALEND-01-60

Calendula officinalis (also called common marigold) is widely cultivated and can be grown easily in sunny locations in most kinds of soils. Carotenoids are the source of the yellow-orange coloration. Dissolved in a base glycerin and water.

**CAS:** 56-81-5, 7732-18-5, 84776-23-8, 122-99-6

**INCI NAME:** Calendula Officinalis (calendula) flower extract

### Benefits:

- Contains high levels of calendic acid in the seeds while the petals and pollen contain triterpenoid esters and the carotenoids flavoxanthin and auroxanthin
- Especially suitable for the sensitive and irritated skin

**Applications:** Serums, creams & lotions, skin cleansers, sun- and after-sun care, sunscreens, face & hair masks.

Prices starting at \$9.30

## Chamomile Extract

Item No. BOT-CHAMO-01

Chamomile extract 20% in a base of glycerin & water.

**CAS:** 56-81-5, 7732-18-5, 84082-60-0, 122-99-6

**INCI NAME:** Chamomille Recutita (matricaria) flower extract

### Benefits:

- Contains active ingredients including bisabolol, bisabolol oxides A and B, and matricin as well as flavonoids (particularly apigenin)
- Well known for its soothing and calming properties
- Provides sheen to the hair and highlights blond hair

**Applications:** Creams, lotions, masks, cleansers, shampoos, conditioners, makeup.

Prices starting at \$8.90

## Chaparral Extract

Item No. BOT-CHAPL-01

Chaparral extract is made from the leaves of the Creosote bush (dwarf evergreen oak). Contains 20% extract dissolved in water and glycerin. The herb is well known for its antioxidant and purifying effects.

**CAS:** 56-81-5, 7732-18-5, 91722-67-7, 122-99-6

**INCI NAME:** Larrea Tridentata (chaparral) extract

### Benefits:

- Has purifying and antioxidant properties which are useful for oily and/or blemished skin
- Best to be used in skin lotions, cleansers, and toners

**Applications:** Face toners, cleansers, skin lotions/creams, products for blemished skin, sun and make-up products.

Prices starting at \$9.40

## Chickpea Extract

Item No. BOT-CHKPEA-01

Extract obtained from chickpea legume (*Cicer Arietinum*) dissolved in a base of glycerin and water. Chickpea is exceptionally high in proteins, vitamins, fibers and minerals including manganese, iron magnesium, and phosphorus.

**CAS:** 56-81-5, 7732-18-5, 92113-26-3, 122-99-6

**INCI NAME:** Cicer Arietinum (chickpea) extract

### Benefits:

- Has exceptionally good skin nourishing properties
- Helps reduce fine lines and wrinkles on the skin
- Very useful in hair repair formulas due to the high content of proteins and manganese

**Applications:** Anti-aging serums, creams & lotions, hair shampoos, anti-flake hair treatments.

Prices starting at \$8.50

## Coconut Water

Item No. HUM-COCOWAT-01

Coconut Water is the liquid collected from ripe coconuts.

**CAS:** 56-81-5, 7732-18-5, 84082-60-0, 122-99-6

**INCI NAME:** Cocos Nucifera (coconut) liquid endosperm, Cocos Nucifera (coconut) fruit juice

### Benefits:

- Contains various electrolytes (calcium, potassium, sodium, phosphorus and magnesium), monolaurin, lauric acid, and plant hormones (cytokinins) including kinetin and kinetin riboside. Cytokinins are known to promote actively plant cell division, cell growth and differentiation

**Applications:** Moisturizers, lotions, toners, serums, & gels, hair care products, color cosmetics.

Prices starting at \$15.90

## Coffee Seed Extract

Item No. BOT-COFFSEED-01

Botanical extract obtained from Coffea Arabica (Coffee) seeds. Caffeine content about 100 ppm. Dissolved in water, glycerin, and propanediol. Contains proteins, polysaccharides, methylxanthines, sucrose, lipids, caffeine, trigonelline, and minerals.

**CAS:** 56-81-5, 7732-18-5, 504-63-2, 84650-00-0, 532-32-1, 24634-61-5

**INCI NAME:** Coffea Arabica (coffee) seed extract

### Benefits:

- Acts as anti-aging, anti-wrinkle, and anti-cellulite agent
- Provides photo-protection and hair color protection
- Methylxanthines and caffeine have been shown to have a toning effect on adipose tissue and may stimulate microcirculation

**Applications:** Anti-aging & anti-wrinkle serums, creams & lotions, after-sun care, sunscreens, hair color protection products, toners

Prices starting at \$14.10

## Comfrey Root Extract

Item No. BOT-COMFRE-02

Organic Comfrey root extract dissolved in water and an organic rice solution. Preserved with Leuconostoc Ferment Filtrate.

**CAS:** 68553-81-1, 7732-18-5, 84696-05-9, 68333-16-4, 9054-89-1, 9003-99-0

**INCI NAME:** Oryza Sativa (rice) extract, water, Symphytum Officinale (comfrey) root extract

### Benefits:

- Has effective antioxidant properties due to rosmarinic acid
- Often used in anti-flake shampoos and conditioners
- Has mild keratinolytic properties

**Applications:** Serums, creams & lotions, anti-flake shampoos & conditioners, anti-blemished skin formulas.

Prices starting at \$9.20

## Cranberry Puree

Item No. EXF-CRANBPU-01

Cranberry Puree is natural, unprocessed and undiluted fruit mash. It contains various natural enzymes that induce mild skin exfoliation.

**CAS:** 91770-88-6

**INCI NAME:** Vaccinium Macrocarpon (Cranberry) Fruit

### Benefits:

- Ideal for natural non-mechanical exfoliation
- Contains Vitamins A, C, E, and K for anti-oxidant protection
- Contains Omega 3 and 6 for skin conditioning and restructuring

**Applications:** Mild exfoliating treatments, face masks, facial treatments, facial cleansers, creams, moisturizers, lotions and serums

Prices starting at \$9.90

## Cucumber Fruit Extract

Item No. BOT-CUCUFR-03

Natural Cucumber fruit extract. Contains 20% extract dissolved in water and glycerin.

**CAS:** 56-81-5, 7732-18-5, 89998-01-6, 122-99-6

**INCI NAME:** Cucumis Sativus (cucumber) fruit extract

### Benefits:

- Ideal in skin cleansers but also soothing body lotions and skin creams, especially after-sun products
- Softens and nourishes hair
- Has a high content in minerals, potassium and sulfur helping to soften and hydrate the skin

**Applications:** Creams & lotions, skin cleansers, hair care products, after-sun products, hair moisturizing sprits, hair conditioners and body lotions.

Prices starting at \$9.60

## Cucumber Fruit Extract, USDA Certified Organic

Item No. BOT-CUCUFR-02

Organic extract from cucumber fruits. Contains 20% extract dissolved in glycerin. Cucumber has a high content in minerals, potassium and sulfur and is being used in skin care to soften and hydrate the skin, especially suitable for after-sun products but also cleansing products to soften the skin.

**CAS:** 56-81-5, 89998-01-6

**INCI NAME:** Organic Cucumis sativus (cucumber) fruit extract

### Benefits:

- Natural skin emollient and softener with cooling and tonic properties
- Ideal in skin cleansers but also soothing body lotions and skin creams, especially after-sun products

**Applications:** Creams & lotions, skin cleansers, hair care products, after-sun products, hair moisturizing sprits, hair conditioners and body lotions.

Prices starting at \$22.30

## Edelweiss Extract

Item No. BOT-EDWE-01

High-purity extract from the Swiss alpine flower Edelweiss (*leontopodium alpinum*). For natural and/or organic products.

**CAS:** 56-81-5, 7732-18-5, 391900-47-3, 24634-61-5, 532-32-1

**INCI NAME:** Leontopodium alpinum (edelweiss) extract

### Benefits:

- Antioxidant activity twice as much as vitamin C
- Can improve appearance of aged and/or irritated skin
- Often used together with sun protecting agents

**Applications:** Anti-aging & anti-wrinkle products, pre/after sun lotions, hydrating and antioxidant skin care products, eye wrinkle products.

Prices starting at \$22.90

## Ginger Root Extract

Item No. BOT-GINGROOT-01

Extract made from Ginger (*Zingiber Officinale* Roscoe) roots.

**CAS:** 56-81-5, 7732-18-5, 84696-15-1

**INCI NAME:** Zingiber Officinale Roscoe (ginger root) extract

### Benefits:

- Has excellent anti-aging properties due to its ability to almost totally inhibit collagen degradation by collagenase enzyme inhibition
- Allows the maintenance of protein levels in the dermis and skin flexibility
- Used to minimize flaky scalp and treat split and dry hair

**Applications:** Anti-aging, anti-cellulite and anti-wrinkle skin care products. Hair care products to treat flaky scalps. Color cosmetics.

Prices starting at \$13.90

## Ginkgo Biloba Leaf Extract

Item No. BOT-GINKGOBILB-01

Extract from the leaves of the Ginkgo Biloba tree.

**CAS:** 56-81-5, 7732-18-5, 90045-36-6

**INCI NAME:** Ginkgo Biloba (ginkgo) leaf extract

### Benefits:

- Contain flavonoids and ginkgolides (ginkgolides A, B, C, and J) which are well-known to antioxidant, regenerating, lipolytic and reepithelizing effects
- Ideal for products for the protection of skin and hair integrity against oxidative agent
- Very useful in anti-irritant and skin regenerating products

**Applications:** Anti-aging, anti-cellulite, anti-wrinkle products, and anti-irritating skincare products. Hair color protection products.

Prices starting at \$22.30

## Goji Berry Extract

Item No. BOT-GOJIBERRY-01

Goji Berry (wolfberry) extract comes from the fruits of *Lycium Barbarum* L., which grows in the valleys of the Himalayas and Mongolia.

**CAS:** 50463-2, 7732-18-5, 85085-46-7, 532-32-1, 24634-61-5

**INCI NAME:** *Lycium Barbarum* (goji berry) fruit extract

### Benefits:

- Has energizing and stimulating effects
- In a number of studies Goji has been shown to have potent antioxidant and anti-aging properties

**Applications:** Anti-aging and toning skin care products, hair color protection formulas

Prices starting at \$17.80

## Goldenseal Extract

Item No. BOT-GOLSEA-01

Goldenseal root also known as yellow root or Indian turmeric. Contains 20% extract dissolved in water and glycerin.

**CAS:** 56-81-5, 7732-18-5, 84603-60-1, 122-99-6

**INCI NAME:** *Hydrastis Canadensis* (goldenseal) extract

### Benefits:

- Contains berberine that has been found to have cleansing properties and be useful in products for blemished and irritated skin
- Useful for skin irritations making it a good ingredient for face cleansers, products for the sensitive skin, after-sun and bath products, and soothing lotions

**Applications:** Anti-aging, anti-cellulite and anti-wrinkle skin care products. Hair care products to treat flaky scalps. Color cosmetics.

Prices starting at \$9.50

## Gotu Kola Extract

Item No. BOT-GOTKOL-01-60

Extract obtained from the leaves of the Gotu Kola plant (*Centella Asiatica*) dissolved in a base of glycerin and water. Gotu Kola contains pentacyclic triterpenoids, including asiaticoside, brahmoside, asiatic acid, and brahmic acid (madecassic acid) and is used in products for irritated and sensitive skin.

**CAS:** 56-81-5, 7732-18-5, 84776-24-9, 84696-21-9, 122-99-6

**INCI NAME:** *Centella Asiatica* (gotu kola) extract

### Benefits:

- Supplies skin and hair with natural triterpenoids (steroid precursor)
- Especially suitable for the sensitive and irritated skin

**Applications:** Serums, creams & lotions, skin cleansers, sun- and after-sun care, sunscreens, face & hair masks.

Prices starting at \$9.30

## Grape Seed Extract

Item No. BOT-GRASED-01

Extract from grape seeds dissolved in a base of glycerin and water. Extract widely used for anti-irritant skin care products.

**CAS:** 56-81-5, 7732-18-5, 84929-27-1, 122-99-6

**INCI NAME:** Vitis Vinifera (grape) seed extract

### Benefits:

- Makes the skin look visibly younger, stronger, and less fragile
- Has also toning and restorative effects
- Suitable for the sensitive and irritated skin

**Applications:** Anti-aging and anti-irritant creams, lotions, gels and toners.

Prices starting at \$9.20

## Green Tea Extract

Item No. BOT-GRTEA-02-60

Green tea extract made from evergreen leaves of a small Asian tree that is cultivated in different regions. Undeveloped leaves are harvested manually, steamed to prevent fermentation, and then pressed and dried.

**CAS:** 56-81-5, 7732-18-5, 84650-60-2, 24634-61-5, 590-00-1, 532-32-1

**INCI NAME:** Camellia Sinensis (green tea) leaf extract

### Benefits:

- Potent antioxidant agent due to polyphenols & methylxanthines
- Often used in anti-aging formulas to reinforce anti-aging effects of other ingredients
- Useful against irritated skin.

**Applications:** Anti-aging formulas, sun care and after-sun care products, anti-cellulite treatments and hair care products.

Prices starting at \$11.40

## Helichrysum Extract

Item No. BOT-HELICHRYSUM-01

Helichrysum extract is produced from the flowers of the Helichrysum plant. Dissolved in water and glycerin.

**CAS:** 56-81-5, 7732-18-5, 24634-61-5, 532-32-1

**INCI NAME:** Helichrysum Stoechas (everlasting) flower extract

### Benefits:

- Has potent antioxidant properties due to the iron chelating activity of the flavonoids and acetophenones and their ability to scavenge free radicals
- Has anti-microbial and purifying actions due to essential oils and phytosterols

**Applications:** Anti-aging and anti-wrinkle products, skin toners, products for oily skin, hair care products, blemished skin creams, sun care and after-sun products.

Prices starting at N/A

## Henna Extract

Item No. BOT-HENNA-01

Extract obtained from the henna plant (*Lawsonia inermis*), a shrub also called henna tree or mignonette tree.

**CAS:** 56-81-5, 7732-18-5, 84929-30-6, 122-99-6

**INCI NAME:** Lawsonia Inermis (henna) extract

### Benefits:

- Has cooling and soothing properties and is often used after intense sun exposure
- Provides anti-microbial and oil-absorbing properties. Often used for blemished skin.
- Does not have a dye effect

**Applications:** Skin lotions, after-sun creams, creams, products for blemished skin

Prices starting at \$10.40

## Honey Extract

Item No. BOT-HONEY-02

Obtained from organic apiculture, honey is a natural humectant and moisturizer able to retain moisture on the skin

**CAS:** 7732-18-5, 504-63-2, 91052-92-5, 8026-66-8, 590-00-1, 532-32-1

**INCI NAME:** Mel (honey) extract

### Benefits:

- Suitable for any kind of skin and hair product
- Provides excellent humectant and emollient properties
- Effective anti-irritant and soothing effects which makes it suitable for sensitive skin and baby products

**Applications:** Creams and lotions, hair care products, baby care products

Prices starting at \$16.50

## Horse Chestnut Extract

Item No. BOT-HOCHEX-01

Natural Horse Chestnut extract made from whole plant. Other parts, for example, the bark have been used as a yellow dye.

**CAS:** 56-81-5, 7732-18-5, 8053-39-2, 122-99-6

**INCI NAME:** Aesculus hippocastanum (horse chestnut) seed extract

### Benefits:

- Has soothing, anti-irritant and toning properties on the skin
- Widely used in products for aged and fragile skin but also for anti-blotchiness
- Widely used in hair care products as it does not cause buildup

**Applications:** Creams & lotions, shampoos & conditioners, hair mask, body wraps, face cleansers, toners and moisturizers, masks and gels.

Prices starting at \$7.00

## Hyssop Extract

Item No. BOT-HYSSOP-01

Extract obtained from the flowering shrub hyssop (*Agastache Mexicana*) dissolved in a base of glycerin and water.

**CAS:** 56-81-5, 7732-18-5, 84603-66-7, 122-99-6

**INCI NAME:** *Agastache Mexicana* (hyssop) extract

### Benefits:

- Purifies the skin of dirt, grime and excess oils and is often used for anti-blemish treatments
- Reduces greasiness of the skin and improves the appearance of enlarged pores

**Applications:** Anti-aging serums, creams & lotions, anti-blemish skin treatments, sebum regulation treatments.

Prices starting at \$10.40

## Irish Moss Extract

Item No. BOT-IRISHMOS-01

Extract obtained from Irish Moss (*Chondrus crispus*), a sea algae species (red algae), dissolved in a base of glycerin and water.

**CAS:** 56-81-5, 7732-18-5, 244023-79-8, 122-99-6

**INCI NAME:** *Chondrus Crispus* (Irish moss) extract

### Benefits:

- Functions as excellent lubricating and moisturizing agent
- Ideal for irritated, dry or aging skin
- Suitable also for hair and scalp products

**Applications:** Serums, creams & lotions, skin cleansers, sun- and after-sun care, sunscreens, face & hair masks.

Prices starting at \$9.30

## Kakadu Plum Extract

Item No. BOT-KAKPL-01

Australian Fruit also called Gubinge, Billygoat or Murunga. Kakadu plumb contains the highest concentration of Vitamin C of most fruits (about 100 times higher than oranges). It has been used in food & medicine for hundreds of years.

**CAS:** 56-81-5, 7732-18-5, 1176234-54-0

**INCI NAME:** *Terminalia Ferdinandiana* (kakadu plum) fruit extract

### Benefits:

- High stable vitamin C content with strong antioxidant properties
- Contains gallic acid and ellagic acid for antioxidant protection, and elastic and supple skin

**Applications:** Anti-aging serums, creams & lotions, sun care and after-sun care, sunscreens, face & hair masks.

Prices starting at \$37.90

## Kelp Extract

Item No. BOT-KELP-02

Organic Marine kelp (brown algae) extract dissolved in water and an organic rice solution. Preserved with Leuconostoc Ferment Filtrate.

**CAS:** 68553-81-1, 7732-18-5, 84775-78-0, 68333-16-4, 9054-89-1, 9003-99-0

**INCI NAME:** Oryza Sativa (rice) extract, water, Ascophyllum Nodosum (kelp) extract

### Benefits:

- High in trace minerals, phytonutrients and vitamins including A, B1, B2, C, D, and E
- Effective skin-detoxifying and moisturizing properties

**Applications:** Nourishing and anti-aging serums, creams & lotions, sun- and after-sun care, sunscreens, night creams.

Prices starting at \$8.50

## Lentil Extract

Item No. BOT-LENTIL-01

Extract obtained from lentil fruits (Lens Esculenta) dissolved in a base of glycerin and water. Lentils are rich in proteins, oligosaccharides, and minerals including folate, thiamin, iron, and zinc. They are also very rich in Vitamin B5.

**CAS:** 56-81-5, 7732-18-5, 90063-40-4, 122-99-6

**INCI NAME:** Lens Esculenta (lentil) extract

### Benefits:

- Has good skin-softening and antioxidant properties
- Strengthens the look of pores, tightens pores, and refines the look of the grain & texture of the skin
- Used in anti-aging skin care products due to vitamin B5 related moisturizing effects

**Applications:** Anti-aging serums, creams & lotions, sun- and after-sun care, sunscreens, face & hair masks.

Prices starting at \$9.50

## Licorice Extract

Item No. SWH-LICOR-01

Natural extract of licorice roots (glycyrrhiza glabra) in a base of glycerin and water. Licorice is native to the mediterranean region.

**CAS:** 56-81-5, 7732-18-5, 84775-66-6, 122-99-6

**INCI NAME:** Glycyrrhiza Glabra (licorice) extract

### Benefits:

- Widely used as skin lightening agent
- Soothes the skin. Ideal for irritated skin
- Contains glycyrrhetic acid and flavinoids that have antioxidant and regenerative properties

**Applications:** Creams, lotions, and all kinds of skin-lightening products.

Prices starting at \$7.60

## Licorice Extract, USDA Certified Organic

Item No. SWH-LICOR-02

Organic extract of licorice roots (*glycyrrhiza glabra*). Licorice is native to the Mediterranean region. Contains 20% extract dissolved in glycerin.

**CAS:** 56-81-5, 84775-66-6

**INCI NAME:** Organic Glycyrrhiza Glabra (licorice) extract

### Benefits:

- Widely used as skin lightening agent
- Soothes the skin. Ideal for irritated skin
- Contains glycyrrhetic acid and flavinoids that have antioxidant and regenerative properties

**Applications:** Creams, lotions, and all kinds of skin- lightening products.

Prices starting at \$22.80

## Licorice Extract in Safflower Oil

Item No. SWH-LICOR-03

Natural extract of licorice roots (*glycyrrhiza glabra*) dissolved in a base of safflower oil which contains 71.0 - 84.0% of linoleic acid C18:2. Licorice is native to the Mediterranean region.

**CAS:** 8001-23-8, 84775-66-6, 7695-91-2

**INCI NAME:** Safflower oil, Glycyrrhiza Glabra (licorice) extract, tocopheryl acetate

### Benefits:

- Widely used as skin lightening agent
- Soothes the skin. Ideal for irritated skin
- Contains glycyrrhetic acid and flavinoids that have antioxidant and regenerative properties

**Applications:** Creams, lotions, and all kinds of skin-lightening products.

Prices starting at \$17.70

## Lycii Berry Extract

Item No. BOT-LYCBER-02

Organic Lycii berry (also called goji berry) extract dissolved in water and an organic rice solution.

**CAS:** 68553-81-1, 7732-18-5, 85085-46-7, 68333-16-4, 9054-89-1, 9003-99-0

**INCI NAME:** Oryza Sativa (rice) extract, water, Lycium Barbarum (lycii) berry extract

### Benefits:

- Well known for its potent antioxidant & anti-aging properties
- Helps to reduce the appearance of skin-hyperpigmentation and uneven skin tones
- Mild skin-toning activities

**Applications:** Anti-aging & anti-wrinkle creams, lotions, masks.

Prices starting at \$9.20

## Mallow Extract

Item No. BOT-MALLOW-01-30

High-purity extract from the Swiss alpine Mallow flower (*malva sylvestris*). Extract concentration is 5%. Dissolved in water and glycerin.

**CAS:** 56-81-5, 7732-18-5, 84082-57-5, 24634-61-5, 532-32-1, 77-92-9

**INCI NAME:** *Malva sylvestris* (mallow) extract

### Benefits:

- Very rich in mucilages, polysaccharides (sugars) and tannins
- Provides natural moisturizing and soothing properties
- Ideal for irritated and sensitive skin, and baby care products

**Applications:** Pre/after sun lotions, hydrating and soothing skin care products, baby care products, under-eye treatments.

Prices starting at \$15.20

## Marrubium Extract

Item No. BOT-MAREX-01

Extract from the Horehound plant (*Marrubium Vulgare* L, Lamiaceae) which belongs to the mint family. Dissolved in glycerin and water.

**CAS:** 56-81-5, 7732-18-5, 84696-20-8, 77-92-9, 532-32-1, 24634-61-5

**INCI NAME:** *Marrubium Vulgare* (white horehound) flower/leaf/stem extract

### Benefits:

- Soothes sensitive and dry skin (e.g. from sun exposure)
- Helps to reduce and calm skin irritations and blemishes (e.g. after shaving)
- Very valuable ingredient in after-sun products and for the aged skin

**Applications:** Formulations for the sensitive skin, products for irritated and stressed skin, after-sun products, after-shave products.

Prices starting at \$29.90

## Marshmallow Root Extract

Item No. BOT-MRSHMAL-01

High-purity extract from European marsh mallow roots (*Althea Officinalis* L.). The plant is well-known for its anti-irritant, soothing and emollient properties

**CAS:** 56-81-5, 7732-18-5, 73049-65-7, 24634-61-5, 532-32-1

**INCI NAME:** *Althea Officinalis* (marshmallow) root extract

### Benefits:

- Contains mucilage which is rich in asparagine, pectin, starch, polysaccharides, betaine, tannins, galacturonic acid, glucuronic acid, and galactose, mineral salts, and vitamins (A, C, E and B complex).
- Provides effective soothing, anti-irritant and moisturizing properties
- Ideal for irritated and sensitive skin, and baby care products

**Applications:** Pre/after sun lotions, hydrating and soothing skin care products, baby care products, under-eye treatments, hair care products.

Prices starting at \$12.50

## Mulberry Root Extract

Item No. BOT-MULBE-01

Mulberry root extract comes from the white Mulberry tree that is native to China, but cultivated in Europe, Japan, Australia and North America.

**CAS:** 7732-18-5, 56-81-5, 94167-05-2, 122-99-6

**INCI NAME:** Morus alba root (mulberry) extract

### Benefits:

- Lightens age spots and uneven skin tone. Can be combined with other skin lighteners such as skinwhite BLE, licorice extract, kojic acid, skinwhite msh, and alpha-arbutin.
- Very nutritious for the hair and hair roots

**Applications:** Skin lightening products, serums, face creams, anti-aging, masks, makeup.

Prices starting at \$10.30

## Natural Amaranthus Peptide

Item No. BOT-AMARSD-01

Naturally obtained peptides from the seeds of the Velvet flower (Amaranthus Caudatus). Contains 8-12% extracts. Gluten-free.

**CAS:** 223747-79-3

**INCI NAME:** Amaranthus Caudatus Seed Extract

### Benefits:

- Consists of small peptides for greater penetration into hair fibers
- Lightweight peptides provide powerful performance without weighing down hair
- Multi-functional performance allows for wide variety of applications

**Applications:** Hair shampoos, hair conditioners, hair fluids, hair toners and pre-dry treatments

Prices starting at \$11.90

## Natural Pea Peptide

Item No. BOT-PEA-01

Multi-functional natural peptide derived from peas (Pisum Sativum). Has skin-lightening, skin-smoothing, & anti-aging properties.

**CAS:** 90082-41-0

**INCI NAME:** Pisum Sativum (pea) extract

### Benefits:

- Visibly reduces dark spots and hyperpigmentation
- Lightens overall skin tone for a more uniform complexion
- Evens texture for healthier, flawless looking skin

**Applications:** Skin-lightening serums, creams & lotions.

Anti-aging creams & dark-spot correctors, BB/CC creams.

Prices starting at \$12.50

## Neem Extract in Glycerin

Item No. Z-BOT-NEEM-02

Extract obtained from *Melia Azadirachta* (Neem) peel and fruit. Contains 20% extract dissolved in glycerin. Has good moisturizing, humectant and soothing properties.

**CAS:** 56-81-5, 90063-92-6

**NAME:** Glycerin, *Melia Azadirachta* (neem) leaf extract

**Applications:** Anti-aging and moisturizing creams, lotions and serums. After-sun lotions, dry skin products.

Prices starting at \$243.00

## Nettle Extract

Item No. BOT-NETTLE-02

Organic Nettle extract dissolved in water and an organic rice solution. Preserved with *Leuconostoc Ferment Filtrate*.

**CAS:** 68553-81-1, 7732-18-5, 84012-40-8, 68333-16-4, 9054-89-1, 9003-99-0

**INCI NAME:** *Oryza Sativa* (rice) extract, water, *Urtica Dioica* (nettle) extract

### Benefits:

- Has effective soothing properties helping to clear blemished and/or irritated skin
- Improves strengths and shine of hair

**Applications:** Serums, creams & lotions, skin cleansers, sun- and after-sun care, sunscreens, face & hair masks.

Prices starting at \$8.50

## Oatmeal Extract

Item No. BOT-OATMEAL-01

Extract made from rolled oat kernels (*Avena Sativa*). Oatmeal has a history of cosmetic use in facial masks and as additive in bath soaps to relieve irritation and itching. Extract (20%) in water (40%), glycerin (40%).

**CAS:** 56-81-5, 7732-18-5, 84012-26-0, 122-99-6

**INCI NAME:** *Avena sativa* (oat) meal extract, glycerin, water

### Benefits:

- Oatmeal may soothe stressed, blemished and irritated skin
- Can help with dry and itchy skin

**Applications:** Serums, creams & lotions, skin cleansers, sun- and after-sun care, sunscreens, face & hair masks.

Prices starting at \$7.60

## OcuFirm Herbal Blend

Item No. BOT-OCUHERB-01

Hydrosoluble, standardized herbal blend of horse chestnut extract, lady's thistle extract, green tea extract and germinated wheat protein.

**CAS:** 107-88-0, 7732-18-5, 84650-60-2, 100209-50-5, 222400-28-4, 39236-46-9, 24634-61-5

**NAME:** Aesculus Hippocastanum (horse chestnut) extract, Silybum Marianum (lady's thistle) extract, Camellia Sinensis (tea plant) extract, hydrolyzed wheat protein

### Benefits:

- Stimulates circulation and improves the appearance of swollen eyes
- Has free radical scavenging properties (antioxidant effect)

**Applications:** Eye treatments, eye serums, creams, lotions

Prices starting at \$16.60

## Paullinia Cupana Seed Extract

Item No. AAG-PAULLCUP-01

Patented complex of multiple bioactive components.

**CAS:** 9050-36-6, 84929-28-2, 58-08-2, 541-15-1, 9004-34-6, 23537-25-9, 34644-00-3

**INCI NAME:** Maltodextrin, Paullinia Cupana (guarana) seed extract, caffeine, carnitine, microcrystalline cellulose, cysteic acid, calcium pantetheine sulfonate

### Benefits:

- Has skin-re-shaping, skin-tightening and skin-smoothing properties
- Nourishes the skin & hair with bioactive components
- Protects the skin from antioxidant stress

**Applications:** Anti-aging, anti-wrinkle and skin-cellulite products.

Prices starting at \$39.80

## Plankton Extract

Item No. BOT-PLANKT-01

Extract of marine biomass that includes green micro-algae, greenish-blue algae, and nitrogen-fixing seaweed. Dissolved in water and glycerin.

**CAS:** 56-81-5, 7732-18-5, 91079-57-1, 122-99-6

**INCI NAME:** Plankton extract

### Benefits:

- Deeply moisturizing and soothing
- Provides anti-aging, anti-wrinkle, and anti-cellulite properties
- Very nutritious for hair follicles

**Applications:** Anti-aging serums, creams & lotions, after-sun products, anti-cellulite products, face & hair masks.

Prices starting at \$10.40

## Pumpkin Puree

Item No. EXF-PUMPKPU-01

Pumpkin Puree is natural, unprocessed and undiluted fruit mash. It contains various natural enzymes that induce mild skin exfoliation

**CAS:** 89998-03-8

**NAME:** Cucurbita Pepo (pumpkin) fruit

### Benefits:

- Natural enzymes that eliminate dead skin cells to smooth the skin's surface
- Ideal for natural non-mechanical exfoliation
- Has a high content of natural vitamin A, beta carotene and vitamin C

**Applications:** Mild exfoliating treatments, face masks, scrubs, facial cleansers, natural skin lotions.

Prices starting at \$8.90

## Rhodiola HairActive

Item No. BOT-RHOD-01

Extract from the golden root plant (Rhodiola rosea) injected into a matrix made of a natural gum

**CAS:** 56-81-5, 7732-18-5, 97404-52-9, 39300-88-4

**INCI NAME:** Rhodiola Rosea (golden root) extract, caesalpinia spinosa gum

### Benefits:

- Strengthens and invigorates the hair making it look healthy, shiny and stronger
- Has anti-frizz properties and helps fight against the damage caused by photo-aging and other factors
- Works in synergy with bamboo extract and wheat protein

**Applications:** Conditioners, shampoos, gels, hair masks and hair serums.

Prices starting at \$7.50

## Rose Flower Extract

Item No. BOT-ROSE-01

Wild Rose Extract made from rose buds and petals (Rosa Canina) dissolved in glycerin and water.

**CAS:** 56-81-5, 7732-18-5, 84696-47-9, 122-99-6

**INCI NAME:** Rose Canina (rose) flower extract

### Benefits:

- Has emollient, cooling and tonic properties
- Can be used as aromatic ingredient in fragrances, creams, room deodorizers and sachets

**Applications:** Serums, creams & lotions, skin cleansers, sun- and after-sun care, sunscreens.

Prices starting at \$9.30

## Rosemary Leaf Extract

Item No. BOT-ROSMEX-01

Rosemary leaf extract in a base of glycerin and water. Contains 20% extract dissolved glycerin and water.

**CAS:** 56-81-5, 7732-18-5, 84604-14-8, 122-99-6

**NAME:** Rosmarinus officinalis (rosemary) leaf extract

### Benefits:

- Rich in calcium, magnesium, iron, manganese, phosphorus, potassium, zinc, and vitamin B1, vitamin B3 and vitamin C
- Has purifying and anti-irritant properties
- Rosemary leaves are very fragrant and are often used in bath products and cosmetics

**Applications:** Creams & lotions, skin cleansers, toners, body wraps, hair care products, dry scalp, massage oils, and deodorants.

Prices starting at \$8.90

## Rosemary Leaf Extract, USDA Certified Organic

Item No. BOT-ROSMEX-02

Organic Rosemary leaf extract. Contains 20% extract dissolved glycerin.

**CAS:** 56-81-5, 84604-14-8

**INCI NAME:** Organic Rosmarinus officinalis (rosemary) leaf extract

### Benefits:

- Has purifying and anti-irritant properties
- Rosemary leaves are very fragrant and are often used in bath products and cosmetics
- Ideal for facial toners, cleansers but also anti-wrinkle lotions, hair care and foot care products

**Applications:** Creams & lotions, skin cleansers, toners, body wraps, hair care products, dry scalp, massage oils, and deodorants.

Prices starting at \$29.90

## Royal Jelly Extract

Item No. BOT-ROYALJEL-01

Royal jelly is a fluid secretion that's secreted from glands on the heads of worker bees. It is synthesized from pollen, water, and honey, mixed with saliva, hormones, and vitamins.

**CAS:** 56-81-5, 8031-67-2

**INCI NAME:** Glycerin, royal jelly extract

### Benefits:

- Natural product with high contents of nutrients for the skin
- Provides good skin-purifying activity for impure skin
- Has excellent skin-conditioning and moisturizing properties due to high content of proteins and amino acids

**Applications:** Anti-aging products, moisturizing and nourishing creams & lotions, anti-irritant treatments.

Prices starting at \$11.90

## Sage Extract

Item No. BOT-SAGE-01

Salvia Officinalis (sage) derived from the leaves and whole plant of sage. Contains 20% extract dissolved in water and glycerin.

**CAS:** 56-81-5, 7732-18-5, 84082-79-1, 122-99-6

**NAME:** Salvia officinalis (sage) extract

### Benefits:

- Found to be able to reduce irritated skin
- Can purify skin and often used to help controlling dry and itchy scalp.

**Applications:** Skin and hair care products, shampoos and conditioners, scalp toners, face toners and moisturizers, after shaves and deodorants, antiperspirants.

Prices starting at \$7.40

## Sea Buckthorn Extract

Item No. BOT-SEABTH-01

Contains the juice concentrate of sea buckthorn fruits (Hippophae Rhamnoides L.) dissolved in water and glycerin. Sea buckthorn is mainly collected in Eastern Europe.

**CAS:** 7732-18-5, 56-81-5, 90106-68-6, 532-32-1, 24634-61-5

**INCI NAME:** Hippophae Rhamnoides (sea buckthorn) fruit juice

### Benefits:

- Has antioxidant, moisturizing and skin-lightening properties
- Supplies skin and hair with natural minerals and vitamins
- Especially suitable for the sensitive and irritated skin

**Applications:** Serums, creams & lotions, skin cleansers, sun- and after-sun care, sunscreens, face & hair masks.

Prices starting at \$21.90

## Sea Fennel Extract

Item No. BOT-SEAFEN-01

Sea fennel is a hardy plant that grows on rocky beaches and between pebbles; it has fleshy green leaves and yellow/green flowers. Contains 20% extract dissolved in water and glycerin.

**CAS:** 56-81-5, 7732-18-5, 89997-98-8, 122-99-6

**INCI NAME:** Crithmum Maritimum (sea fennel) extract

### Benefits:

- Rich in peptides, minerals and vitamins A, C, and E
- Peptides are useful for anti-redness and anti-blemish skin care. As the peptides are very small they can penetrate into the skin
- Has antioxidant, toning, skin conditioning, and soothing properties

**Applications:** Creams, serums, eye-creams, lotions, sun and after-sun products. Masks, gels and cleansers.

Prices starting at \$10.90

## Sea Kelp Extract

Item No. BOT-SEAKEL-01

Kelp seaweed is a member of the brown algae family (phaeophyta). Root, stem and leaves have been used in this extract. Contains 20% extract dissolved in water and glycerin.

**CAS:** 56-81-5, 7732-18-5, 347174-92-9, 122-99-6

**NAME:** Macrocystis pyrifera (sea kelp) extract

### Benefits:

- Found to be able to reduce irritated skin
- Can purify skin and often used to help controlling dry and itchy scalp.

**Applications:** Anti-aging creams, serums and face masks, hair treatments, root treatment and shampoos.

Prices starting at \$7.60

## Sea Kelp Extract, USDA Certified Organic

Item No. BOT-SEAKEL-02

Organic sea kelp. Seaweed is a member of the brown algae family (phaeophyta). Root, stem and leaves have been used in this extract.

**CAS:** 56-81-5, 90046-12-1, 92128-82-0

**INCI NAME:** Organic Laminaria Digitata (sea kelp) extract

### Benefits:

- Has a high content of silicon which help invigorating skin and tissue thereby improving the appearance of wrinkles
- Contains also various vitamins and minerals which nourish and soothe the skin, especially the root of the hair.

**Applications:** Anti-aging creams, serums and face masks, hair treatments, root treatment and shampoos.

Prices starting at \$25.30

## SkinWhite NiacinamideLQ

Item No. VIT-NIACBLND-01

Liquid blend of niacinamide, quinoa and pea extracts to enhances skin glow & radiance.

**CAS:** 7732-18-5, 98-92-0, 90082-41-0, 223749-71-1, 100-51-6, 24634-61-5, 535-32-1

**INCI NAME:** Water, niacinamide, pisum sativum (pea) extract, chenopodium quinoa seed extract

### Benefits:

- Skin Glow & Radiance, helps to even out skin tone with regular use
- Enhances skin radiance
- Minimizes the appearance of dark spots & hyperpigmentation

**Applications:** Skin Creams, Anti-aging formulations, Face Masks, Face Serums, Face Gels & toners

Prices starting at \$19.95

## SkinWhite Punarnava

Item No. SWH-PUNARNAVA-01

Natural plant extract obtained from the roots of punarnava (*Boerhaavia diffusa*) dissolved in propanediol and water.

**CAS:** 504-63-2, 7732-18-5

**NAME:** Boerhaavia Diffusa (punarnava) root extract

### Benefits:

- Natural skin-lightening active ingredient that decreases skin tone evenly and uniformly. Can reduce the number of different types of hyperpigmentation spots
- In-vitro studies showed that the extract can reduce the amount of melanin formed in human melanocytes (skin cells)

**Applications:** Facial lightening treatments, skin lightening body milks, photo-aging repairing treatments, anti-aging treatments, make-up lines and deodorants.

Prices starting at \$17.70
