Method

Combine phase A ingredients in a heat-resistant beaker, stir, then heat to 70 C. Combine phase B ingredients in a separate beaker and heat to the same temperature. Add phase B to phase A with homogenization. Add phase C ingredients in order, stirring after each addition. Neutralize to a pH of about 5.5 to 6 with triethanolamine.

Properties

The Herbal Overnight Mask will restore the skin's glow and health while reducing redness and irritation. It's a creamy formula and the combination of Hemp Seed Oil and Green Tea Butter soothe irritated, dry skin while toning. Vitamins E and B5 also help even skin tone and rejuvenate the skin overnight. Rosemary Extract purifies the skin, containing a number of vitamins and minerals to act as a powerful antioxidant on the face.
