Procedure

Blend all ingredients thoroughly until uniform, then press the mixture into molds.

Option 1: Add 1-3% exfoliating material for a scrub bar e.g. walnut shell powder.

Option 2: Add colorant and/or fragrance

Properties

A gentle solid cleanser with a creamy lather that cleans without stripping. Aloe vera and panthenol hydrate, while allantoin and bisabolol soothe and protect for soft, refreshed skin. Adding colorants is optional.
