Olive Solubilizer	Sodium olivate	Solubilizer	1.00	1.00	0.04

### Procedure

Phase A: Add water to mixing vessel. Add all other ingredients in order and blend until homogenous. Fill into bottle with a spray top.

### Properties

Anti-oxidant hair mist that may help prevent UV-induced hair damage. Enhances structural integrity of the hair by increasing the diameter of individual hair fibers from the inside. Strengthens the hair and provide abrasion resistance. Excellent moisturizing & film-forming properties and well absorbed by damaged ends.
