Mica Red (mica [CI 77019], titanium dioxide [CI 77891], iron oxide [CI 77491])		2.00	1.00	0.04	0.20

**Method**

Combine phase A and heat to 70C. Blend well. Add phase B, disperse well, then pour into small pots and cool.

**Properties**

Lip butter with moisturizing Mango Butter, Raspberry Seed Oil & softening Triglyceride Blend. It glides on well and leaving lips smooth for long. Has enough color to stain lips slightly, so can be applied without a mirror and looks natural. If a higher amount of pigment is added the higher the stain on the lips.
