

Green Tea Butter Salt Scrub - 1174

Ingredient	Function	Percent	Wgt (g)	Wgt (oz)	Vol (tsp.)
Phase A					
Green Tea Butter (Prunus Amygdalus Dulcis [Sweet Almond] oil, hydrogenated vegetable oil, Camellia Sinensis leaf powder)		75.60	75.60	2.67	15.12
Castile Soap (castile soap)		2.00	2.00	0.07	0.40
Polyglucose (decyl glucoside)		2.00	2.00	0.07	0.40
Phase B					
Sea Salt (sodium chloride)		20.00	20.00	0.71	4.00
Phase C					
Vitamin E Tocopherol (dl-alpha tocopherol)		0.20	0.20	0.01	0.04
Fragrance Citrus Punch		0.20	0.20	0.01	0.04

Method

Mix phase A with a spatula until uniform. Add phase B and mix until the scrub looks uniform. Add more salt if needed. Add phase C and mix again thoroughly.

Properties

This is a simple & natural formulation for a thick salt scrub for a hand exfoliation but also feet or parts of the body. Leaves skin hydrated and soft. The salt content can be increased as desired.
