Vitamin E Tocopherol	Tocopherol	Antioxidant	0.50	0.25	0.01

Procedure

Phase A: Combine ingredients in a heat-resistant beaker. Heat to 75 - 80 C to melt all the ingredients. Remove from heat and cool slightly.

Phase B: Add and blend well, pour hot into small pots. Cool.

Properties

This lightweight balm uses Green Tea Butter, Hemp and Jojoba Oil to soothe dry, cracked, dehydrated cuticles and Vitamin E to revitalize the skin. It's lightweight enough to soak into the skin within seconds, yet nourishing enough to help restore skin.
