Fragrance	fragrance	Fragrance	0.20	0.20	0.01

Procedure

Heat both phases to 65-70 for a short time only then pour phase B to A, blend well and remove from the heat. Pour into small deodorant sticks and let cool.

Properties

Stick Mask with red clay that provides the necessary elements to assist the skin in its rejuvenation process. Supports the skin's natural defense mechanism, absorbs excessive oils, and detoxifies effectively. Highly nourishing due to its high mineral content. Improves the appearance of enlarged skin pores.
