2134 - Daily Prep & Hydration Serum

Weight: 100.00g

Ingredient	INCI	Function	Percent	Wgt (g)	Wgt (oz)
Phase A					
Water	Aqua	Diluent	82.10	82.10	2.90
Rose Essence Water	Rosa Damascena Flower Water	Diluent	10.00	10.00	0.35
Glycerin	Glycerin	Thickener	5.00	5.00	0.18
Xanthan Gum	Xanthan Gum	Thickener	0.80	0.80	0.03
Phase B					
Hyaluronic Acid Multiplex 7	Water, 1,2-Hexanediol, Sodium Hyaluronate	Moisturizer	5.00	5.00	0.18
Olive Hydroxytyrosol	Olea Europaea (Olive) Fruit Extract (and) Citric Acid	Antioxidant	0.30	0.30	0.01
Olive Solubilizer	Sodium Olivate, Water	Solubilizer	0.30	0.30	0.01
Phenoxyethanol SA	Phenoxyethanol, Caprylyl Glycol, Sorbic Acid	Preservative	1.00	1.00	0.04

Procedure

Phase A: Combine the waters. Blend glycerin with xanthan gum then add to the water slowly and under good agitation.
Phase B: Once phase A is fully hydrated and the gel texture is smooth, add phase B ingredients, one at the time, blending well between ingredients until well integrated.
Phase C:
pH 4.5

Properties

Introducing the Daily Prep & Hydration Serum—featuring Olive Hydroxytyrosol that shows strong antioxidant protection, supports collagen activity, firmness and elasticity. It is a weightless base layer designed to shield, firm, and prime your skin for the day ahead. It wears beautifully under moisturizer, makeup or sunscreen while delivering high-potency active ingredients directly to the skin barrier.
