Method

Combine all ingredients besides tocopherol and essential oil in a heat-safe beaker, and heat to 70 C. Stir frequently, and once the waxes are all melted remove from heat. Allow to cool to 40-50 C and add tocopherol and essential oil, stir, then package.

Properties

This nourishing matte beard wax helps keep every hair in place, all day. It gives a matte, medium hold, water-resistant finish that can be easily sculpted for your individual needs.
