

1600 - Illuminating Primer for Dry Skin (100.00g)

Ingredient	Function	Percent	Wgt (g)	Wgt (oz)	Vol (tsp.)
Phase A					
Dimethicone Satin (dimethicone)	Emollient	20.00	20.00	0.71	4.00
Isododecane (isododecane)	Emollient	10.00	10.00	0.35	2.00
CreamMaker Silicone Cetyl diglyceryl tris(trimethylsiloxy)silylethyl dimethicone	Emulsifier	5.00	5.00	0.18	1.00
Squalane (squalane)	Emollient	5.00	5.00	0.18	1.00
Hectorite Gel SOFT Caprylic/capric triglyceride, stearalkonium hectorite, propylene carbonate	Emollient	2.00	2.00	0.07	0.40
Wrinkle Blur (dimethicone/vinyl dimethicone crosspolymer, silica)	Texturizer	2.00	2.00	0.07	0.40
Phase B					
Trihydroxystearin (trihydroxystearin)	Thickener	0.40	0.40	0.01	0.08
Phase C					
Distilled Water (aqua)	Diluent	52.80	52.80	1.86	10.56
Ginkgo Extract Glycerin, water, Ginkgo Biloba leaf extract	Botanical	1.00	1.00	0.04	0.20
GelMaker PH Polyacrylate crosspolymer-6	Thickener	0.40	0.40	0.01	0.08
Polysorbate 80 (polysorbate 80)	Emulsifier	0.40	0.40	0.01	0.08
Phase D					
Phenoxyethanol SA (phenoxyethanol, sorbic acid, caprylyl glycol)	Preservative	1.00	1.00	0.04	0.20

Method

1. Combine phase A ingredients in a heat-resistant beaker. Heat to 65 C/150 F and stir well to combine. 2. Combine phase C ingredients in a separate, heat resistant beaker. Heat to 60 C/140 F. 3. Bring temperature of phase A down to 60 C/140 F. 4. Add phase B to phase A and blend with a high-shear mixer for a minute or two to disperse. Return to heat. 5. Keeping temperature at 60 C, add phase C to phase A/B with high shear blending. Continue to blend for 5 - 10 minutes while maintaining temperature between 55 and 60 Celsius. 6. Remove from heat and continue to blend with high-shear mixer until cooled. If product is not smooth and is grainy, it's likely the product wasn't blended enough and return to high heat (55 - 60 C) and blend for another 5 - 10 minutes. 7. Once cooled to about 30 - 40 C, add phase D and mix well.

Properties

1600 Illuminating Primer for Dry Skin. This illuminating primer uses wrinkle blur to soften the appearance of wrinkles. It helps create a smooth canvas for your foundation application while ginkgo extract regenerates the skin. Perfect for dry skin or those who live in dry, hot climates. It's concentrated, use sparingly.
