

2064 - Instant Charcoal Cleanser

Weight: 10.00g

Ingredient	INCI	Function	Percent	Wgt (g)	Wgt (oz)
Phase A					
INSTAWash CH	Microcrystalline Cellulose, Sodium Lauroyl Glutamate, Sodium Cocoyl Glycinate, Ethylcellulose, Charcoal Powder, Silica	Surfactant Blend	15.00	1.50	0.05
Argan Oil	Organic Argania Spinosa (argan) kernel oil	Emollient	2.00	0.20	0.01
Glycerin	Glycerin	Humectant	83.00	8.30	0.29

Procedure

Phase A: Blend the three ingredients well. Add to wet hands rubbing well to build foam then apply to damp face.

Properties

INSTAWash CH (surfactant blend and charcoal) blended with glycerin and argan oil to create a mild hydrating cleanser or shaving product. This is a simple formulation that can be customized further.
