

## **Certificate of Analysis**

## (Representative Sample Certificate)

| Product Name:    | Aloe Vera Powder (200x)   |
|------------------|---|
| INCI Name:       | Aloe Barbadensis  |
| CAS Number:      | 85507-69-3  |
| Lot Number:      | Not available (data may vary slightly with different lots or batches) |
| Expiration Date: | 36 months from production date  |
|                  |   |

| Analytical Tests             | Specification                   | Analysis |
|------------------------------|---------------------------------|----------|
| Appearance                   | Light cream to beige powder     | Complies |
| (Method: TL-3021)            |                                 |          |
| pH (1:199 w/w)               | 3.5-5.0                         | 4.67     |
| (Method: TL-3002)            |                                 |          |
| Specific Gravity (1:199 w/w) | 0.997-1.004                     | 1.002    |
| (Method: TL-3005)            |                                 |          |
| % Moisture                   | 8% MAX                          | 5.69%    |
| (Method: TL-3008)            |                                 |          |
| Particle Size                | 100% thru 80 mesh               | Complies |
| (Method: TL-3011)            |                                 |          |
| Aloin (1:199 w/w)            | <0.1ppm                         | Complies |
| (Method: TL-3027)            |                                 |          |
| Total Plate Count            | <10 CFU/g                       | Complies |
| (Method: TL-3023)            |                                 |          |
| Yeast and Mold               | <10 CFU/g; No pathogens present | Complies |
| (Method: TL-3023)            |                                 |          |

This product is 100% USDA (NOP) / EU No. 834/2007 and 889/2008 Certified Organic by Mayacert US-BIO-670.

This product meets the parameters for content and purity as defined by the International Aloe Science Council (IASC).

\*\*Special precautions: Product may darken with age, keep stored in tightly sealed container.

The above data was obtained using the test indicated and is subject to the deviation inherent in the test method. Results may vary under other test methods or conditions.
