**Method**

Combine phase A in a container, stirring in order after each ingredient is added gently to avoid foaming. Add phase B ingredients, stirring gently.

**Properties**

This dead sea scrub leaves the skin feeling clear, nourished and soft. It can also be used as a gentle exfoliant on the legs pre-shaving to get a closer and longer-lasting shave. Charcoal has purifying and balancing properties. Also great for softening the rest of the body to get an even summer tan!
