Phenoxyethanol SA (phenoxyethanol, sorbic acid, caprylyl glycol)	Preservative	1.00	1.00	0.04	0.20
Provitamin B5 (d-panthenol, water)	Antioxidant	0.80	0.80	0.03	0.16
Natural Bisabolol (bisabolol)	Antioxidant	0.50	0.50	0.02	0.10
Vitamin E Acetate (dl-alpha tocopheryl acetate)	Antioxidant	0.50	0.50	0.02	0.10

**Method**

Combine phase A ingredients under agitation, until smooth, homogenize for a short time if necessary. Add phase B ingredients one by one, stirring well in between. Adjust pH to 4.5-5.5.

**Properties**

This soothing aloe serum will calm freshly burned skin, restoring skin's properties and speed up the healing process without causing more pain or discomfort. This formula is made with natural ingredients and is fragrance-free. It contains the soothing properties of Lacto-Ceramides and Oatmeal to repair and strengthen damaged skin. Storing this in the fridge will help cool and soothe burns on even the hottest summer days.
