

## Jojoba Oil, USDA Certified Organic

### Specification Sheet

**Description:** Organic pure liquid wax (not an oil as such) derived from the seeds of a plant (*Simmondsia chinensis*) growing in the Sonora desert in the USA, composed of different liquid wax esters similar to human sebaceous, based on fatty acids & fatty alcohols (no triglycerides), cold-pressed, insoluble in water. Clear oily golden liquid, no or faint odor.

**CAS:** 61789-91-1

**INCI Name:** Organic *Simmondsia chinensis* (Jojoba) seed oil

**Benefits:**

- Precious moisturizer and emollient
- Prevents transdermal water loss and retains moisture
- Good lubricant without leaving a greasy film on the skin as it penetrates into the skin
- Regular application can reduce the appearance of fine lines and wrinkles

**Use:** Can be added to formulas as is, add to the fat phase. Use level 1-50%. For external use only.

**Applications:** Lotions, creams, nourishing skin & hair care products, body washes, shampoos, baby products, sun care & after sun products, makeup products, bath oils, facial rinses, hair rinses.

**Country of Origin:** USA, Argentina, Israel, Panama

**Raw material source:** Seeds of Jojoba plant

**Manufacture:** Cold pressed, filtered

**Animal Testing:** Not animal tested

**GMO:** Certified GMO free

**Vegan:** Yes

**Organic Standard:** USDA; Certified by WA State Dept. of Agriculture
