Procedure

Phase A: Combine in clean beaker, blend gum well until smooth. Heat to 75C

Phase B: Combine in clean beaker. Heat to 75C

Add phase A to phase B and blend well (propeller mixer on medium). Cool.

Phase C: At 40C, add phase C, slowly and under good mixing.

Properties

Herbal powerhouse for healthy looking skin due to the benefits of natural anti-oxidants, hydrating botanical extracts and nourishing avocado & murumuru butter. Helping in reducing fine lines and wrinkles.
