Natural Bisabolol (bisabolol)	Soothing	0.10	0.10	0.00	0.02

**Method**

Combine phase A and stir well to hydrate hyaluronic acid. Allow to sit for 30 minutes and mix well to form a thick gel. May need to sit overnight to fully hydrate. Combine phase B in a separate beaker and stir well. Add to phase A with plenty of stirring. Add phase C, stirring well after each ingredient.

**Properties**

Serum with multi-purpose. Ginger has effective rejuvenating, anti-aging, refirming, energizing and stimulant activities. Oatmeal may soothe stressed, blemished and irritated skin. Combined with HA to hydrate and smooth out fine wrinkles.
