

Signature Natural Eye Shadow Base No. 2

Specification Sheet

Description: Natural eye shadow with a more transparent finish (compared to the original formula), due to the absence of titanium dioxide and talcum. Vegan.

Ingredients: Lauryl laurate, caprylic/capric triglyceride, polyhydroxystearic acid, isododecane, trimethylsiloxysilicate resin, candelilla wax, octyldodecanol, sunflower wax, silica, dimethicone, tocopherol.

Use: Melt the base and add up to 20-30% of dry colorants such as micas and D&C colors. A low concentration of liquid iron oxide dispersion may also be added if needed. Blend well and pour into eye shadow containers.

Appearance: Off-white cream, bland odor.
