

Natural Gel Base

Specification Sheet

Description: Natural gel base with aloe vera, can be used as a hydrating gel directly on the skin, or added to a lotion, cream or cleansing product to increase viscosity. Very versatile base for all kinds of skin & hair care products. Vegan.

Ingredients: Water (Aqua), Hydroxyethylcellulose, Phenoxyethanol, Aloe Barbadensis (Aloe Vera) Leaf Juice, Tetrasodium Glutamate Diacetate

Appearance: Clear to slightly hazy gel, bland odor

Benefits:

- Soothes and calms the skin
- Limited ingredients create opportunity to customize this base
- Relieves and renews skin during hot summer months

Use: Can be used as is or customized further by adding additional liquid ingredients (e.g. fragrances). If additional ingredients are added the gel may lose its clarity and becomes more hazy. Please note: If the base is heavily diluted the viscosity decreases and additional preservatives may be required.

Preservation: Phenoxyethanol

Storage: Store in a closed container at a dry place at room temperature

Country of Origin: USA

Animal Testing: Not animal tested

Vegan: Does not contain animal-derived components. No added Gluten.

HS Code: 3304990000
