

ActiCaps® Copper LQ

Specification Sheet

Description: ActiCaps® in a solution for controlled sustained release of ingredients for skin rejuvenation, containing multi-molecular hyaluronic acid, copper peptides, ceramides and resveratrol. It continues to support skin hydration and reduces TEWL (trans epidermal water loss). Skin may look more radiant as it helps to improve skin texture.

CAS: 7732-18-5, 504-63-2, 9067-32-7, 9004-64-2, 5343-92-0, 1117-86-8, 70445-33-9, 9000-65-1, 100403-19-8, 501-36-0, 56-81-5, 107-88-0, 99-93-4, 6920-22-5, 89030-95-5

INCI Name: Water, Propanediol, Sodium Hyaluronate, Hydroxypropylcellulose, Pentylene Glycol, Caprylyl Glycol, Ethylhexylglycerin, Astragalus Gummifer Gum, Ceramide AP, Resveratrol, Glycerin, Butylene Glycol, Hydroxyacetophenone, 1,2-Hexanediol, Copper Tripeptide-1

Composition: Water, Propanediol, Sodium Hyaluronate, Hydroxypropylcellulose, Pentylene Glycol, Caprylyl Glycol, Ethylhexylglycerin, Astragalus Gummifer Gum, Ceramide AP, Resveratrol, Glycerin, Butylene Glycol, Hydroxyacetophenone, 1,2-Hexanediol, Copper Tripeptide-1

Appearance: Clear to slightly yellow liquid with a characteristic odor.

Benefits:

- Encapsulation Technology for mature skin care (delivers ingredients into the skin for controlled, sustained release)
- Powerful actives for collagen boosting and skin repair
- Deep Hydration and smoother texture for firmer skin
- Strengthens skin barrier and minimizes sensitivities from potent actives ingredients

Use: Typical use level 2-3% in water-based formulations. Add during the cool down phase of the formulation below 40°C. For external use only.

Applications: Skin Serums, Emulsions, Face Masks, High quality Skin Care formulations

Solubility: Water-soluble

Preservation: Preservative-free

Storage: Store tightly closed, in a dry, light protected place between 56-89°F (12-32°C)

Country of Origin: USA

Raw material source: Plant (Zea mays, Pinus tree, Saccharum officinarum sugar, Astragalus gummifer, Polygonum cuspidate, Elaeis guineensis); Synthetic, Fermentation (Phytosphingosine)

Manufacture: ActiCaps Copper LQ uses an encapsulation process that surrounds active ingredients with a protective shell, helping preserve their stability and performance until use.

Animal Testing: Not animal tested

GMO: GMO-free

Vegan: Does not contain animal-derived components

HS Code: 3824999397
