Vitamin E Acetate	Tocopheryl Acetate	Anti-oxidant	0.50	0.50	0.02
Blossom Vine Fragrance	Fragrance	Fragrance	0.30	0.30	0.01

Procedure

Phase A: Blend in order until homogenous.
Fragrance can be increased if needed.
Use a small pea size at the time, disperse in hands and then work into hair.

Properties

We are obsessed with light textured hair oils that tame frizzy hair, making the color pop and give hair a sleek look.
