**Country of Origin: USA** 

Raw material source: Avena Sativa (Oat), glycerin made of naturally derived oils

10800 231<sup>st</sup> Way NE Redmond, WA 98053 Phone: 425-292-9502 makingcosmetics.com

Manufacture: Prepared via a cold process to avoid potential loss of effectiveness heat processing can have. Created from organically grown, pesticide-free materials which are extracted first with a specified eluant to yield a concentrate. This concentrate is then dissolved in glycerin and water at a concentration of 20 %

**Animal Testing:** Not animal tested

concentrate and 80% diluents.

GMO: GMO-free

Vegan: Does not contain animal-derived components
