

Hydro Spray Lotion Base

Specification Sheet

Description: Light moisturizing lotion for ideal hydration. Softens and soothes with natural rose water, jojoba oil and herbal extracts. For all skin types but especially suited for dehydrated skin. The lotion is thin and light enough to be dispensed from a spray bottle.

Ingredients: Organic aloe leaf juice (aloe barbadensis), organic coconut oil (cocos nucifera), glycerin, witch hazel water (hamamelis virginiana), emulsifying wax (cetyl alcohol, stearyl alcohol, polysorbate 60), organic jojoba seed oil (simmondsia chinensis), rose flower water (rosa damascena), organic white willow bark extract (salix alba), vitamin E (tocopherol), sunflower seed oil (helianthus annuus), organic neem seed oil (melia azadirachta), organic rosemary leaf extract (rosmarinus officinalis), organic sunflower seed oil (helianthus annuus), xanthan gum, polysorbate 80, organic alcohol, phenoxyethanol, tetrasodium glutamate diacetate.

Use: Can be customized further by adding up to 5% (volume percentage) of additional liquid ingredients.

Adding Acids: A small amount of acids such as AHA fruit acids can make the lotion unstable and may separate. Please test pH and adjust acidity with TEA (triethanolamine) and test pH again. A good pH is in the range between 4.5 and 6.5. Being a natural cream base, slight separation during long standing or warm temperatures can occur. Can be reversed by blending.

Appearance: Off-white lotion, bland odor.
