

Rose Hip Oil

Specification Sheet

Description: Natural oil extracted from the seeds of the rose hip or wild rose. High in linoleic & linolenic essential fatty acids which are key components of epidermal skin cells. Expeller-pressed, refined. Clear yellowish liquid. Hardly soluble in alcohol.

CAS: 84603-93-0

INCI Name: *Rosa canina* (Rose hip) seed oil

Benefits:

- Premium emollient and moisturizer, leaves the skin soft, smooth and hydrated
- Has been shown to improve the appearance of aging skin
- Ideal for distressed and/or sensitive skin

Use: Can be added to formulas as is, add to the fat phase. Use level 1-100% in skin care products (can be used pure, e.g. as massage oil). For external use only.

Applications: Creams, lotions, protecting creams, ointments, bath oils, makeup & sun care products, personal & baby care products.
