

Horse Chestnut Extract

Specification Sheet

Description: Natural Horse Chestnut extract made from whole plant. Other parts, for example, the bark have been used as a yellow dye. Contains 20% of extract dissolved in water and glycerin.

CAS: 56-81-5, 7732-18-5, 8053-39-2

INCI Name: Glycerin, Water, Aesculus Hippocastanum (Horse Chestnut) Extract

Composition: Glycerin, Water, Aesculus Hippocastanum (Horse Chestnut) Extract, Phenoxyethanol

Appearance: Light yellow liquid, characteristic odor.

Benefits:

- Has soothing, anti-irritant and toning properties on the skin.
- Widely used in products for aged and fragile skin but also for anti-blotchiness.
- The fatty acids, proteins and short-chain sugars can help repair hair that is damaged by dyes, hair dryers and chemical treatments.
- Widely used in hair care products as it does not cause buildup.

Use: Add to formulas as is, typical use level 5-10%. For external use only.

Applications: Creams & lotions, shampoos & conditioners, hair mask, body wraps, face cleansers, toners and moisturizers, masks, and gels.

Solubility: Water-soluble

Preservation: Phenoxyethanol

Storage: Store in a closed container at a dry place at room temperature.

Country of Origin: USA

Raw material source: Aesculus hippocastanum (Horse Chestnut), glycerin made of naturally derived oils.

Manufacture: Prepared via a cold process to avoid potential loss of effectiveness heat processing can have. Created from naturally grown materials which are extracted first with a specified eluant to yield a
