

Botanical Gel Base

Specification Sheet

Description: Clear gel base that can be used as is or diluted with additional plant extracts & active ingredients. Gel is mildly exfoliating, cooling and moisturizing due to the various extracts in it. Can be used as hydrating, mild exfoliating mask or as a treatment gel. Vegan.

Ingredients: Organic Aloe Leaf Juice (Aloe Barbadensis), Hydroxyethyl Cellulose, Phenoxyethanol, Glycerin, Organic Pineapple Fruit Extract (Ananas Comosus), Organic Papaya Fruit Extract (Carica Papaya), Organic Papaya Leaf Extract (Carica Papaya), Organic Alcohol, Tetrasodium Glutamate Diacetate.

Use: Can be used as is or customized further by adding up to 20% (volume percentage) of additional liquid ingredients. If additional ingredients are added the gel may lose its clarity and becomes hazy. If oil-soluble actives are added, polysorbate 20 or a similar emulsifier needs to be added for stability. Please note: If the base is heavily diluted the viscosity decreases and additional preservatives may be required.

Appearance: Clear yellowish gel, bland odor
