

Curl Fortifying Conditioner Base

Specification Sheet

Description: Moisturizing natural hair conditioner base that leaves the hair soft and silky while gently defining curls and waves. Will reduce static electricity for easier styling. Ideal for naturally curly or lightly curly hair. Use between 2-15 minutes on hair then rinse out, the longer it is left on the hair the more intense the conditioning effect. Vegan, gluten-free.

Benefits:

- Fluid conditioner that leaves hair soft and silky
- Natural avocado oil, daikon extract and quinoa protein strengthen and accentuate both curls and waves
- Light and creamy texture
- Can be customized to create a unique product

Use: Can be customized further by adding up to 10% (volume percentage) of additional liquid ingredients. Avoid strong acids as it may destabilize the conditioner. Slight separation may occur during long storage; can be easily reversed by mixing.

Purity Grade: No purity grade applicable

Appearance: Off-white light creamy texture

Preservation: Levulinic acid, sodium levulinate, glyceryl caprylate, glyceryl undecylenate

Storage: Store in a closed container at a dry place at room temperature
