

Signature Natural Eye Shadow Base No. 2

Specification Sheet

Description: Natural eye shadow with a more transparent finish (compared to the original formula), due to the absence of titanium dioxide. Vegan.

Ingredients: Lauryl laurate, caprylic/capric triglyceride, polyhydroxystearic acid, isododecane, trimethylsiloxysilicate resin, candelilla wax, octyldodecanol, sunflower wax, silica, dimethicone, tocopherol

Appearance: Off-white to yellowish cream, bland odor

Benefits:

- Natural ingredients
- Long-lasting cream shadow with a sheer satiny finish
- Easy to use, melt and pour product
- Off-white cream base that doesn't contain Titanium Dioxide which offers a more true-to-finish color
- Customize by adding colorants, preferable D&C reds in liquid form, micas or a low concentration of liquid iron oxide dispersion if needed

Use: Melt the base and add up to 20-30% of dry colorants such as micas and D&C colors. A low concentration of liquid iron oxide dispersion may also be added if needed. Blend well and pour into eye shadow containers.

Preservation: Vitamin E tocopherol (antioxidant)

Storage: Store in a closed container at a dry place at room temperature
