

1721 - Soothing Micellar Water with Yogurt (100.00g)

Ingredient	Function	Percent	Wgt (g)	Wgt (oz)	Vol (tsp.)
Phase A					
Distilled Water (aqua)	Diluent	89.50	89.50	3.16	17.90
Helichrysum Extract, Organic Glycerin, water, Helichrysum Stoechas (Everlasting) flower extract	Botanical	3.00	3.00	0.11	0.60
Lauryl Glucose Sodium lauryl glucose carboxylate, lauryl glucoside	Emulsifier	3.60	3.60	0.13	0.72
Diisooctyl Succinate Diisooctyl Succinate	Emollient	0.80	0.80	0.03	0.16
Ginkgo Extract Glycerin, water, Ginkgo Biloba leaf extract	Botanical	0.80	0.80	0.03	0.16
PEG-8 Dimethicone (PEG-8 dimethicone)	Emollient	0.80	0.80	0.03	0.16
Yogurt Filtrate (Water, glycerin, yogurt filtrate)	Emollient	0.60	0.60	0.02	0.12
Sodium Gluconate (sodium gluconate)	Stabilizer	0.20	0.20	0.01	0.04
Phase B					
Phenylpropanol EHG (Phenylpropanol, ethylhexyl glycerin)	Preservative	0.70	0.70	0.02	0.14

Method

Phase A: Combine water and sodium gluconate until dissolved. Then add all other ingredients in order and blend well. Phase B: Add phase B and blend.

Properties

This micellar water gently removes make-up while soothing the skin. Helichrysum extract and ginkgo biloba extract both act as potent antioxidants to help rejuvenate the complexion. Yoghurt has mild exfoliating and hydrating properties. This acts as a great stand-alone product to remove minimal amounts of make-up, or use after a normal cleanser to ensure the face is completely clean and hydrated before moving on to a moisturizer.
