

## Mild Face Cleanser for the Sensitive Skin

(Sample Recipe for Sucrose Cocoate)

### Mild Face Cleanser for the Sensitive Skin

Phase A	Weight %	For 240 g / 8.5 oz
Hot Distilled Water (diluent)	61.7 %	148 g / 5.3 oz
Sucrose Cocoate (diluent)	2 %	4.8 g / 1 tsp
Phase B		
Coco Betaine (cleansing agent)	25 %	60 g / 2.1 oz
Polyglucose (cleansing agent)	10 %	24 g / 0.9 oz
Phase C		
Benzyl Alcohol/DHA (preservative)	0.8 %	1.9 g / 45 drops
Fragrance (Dewy Morning)	0.5 %	1.2 g / 25 drops

#### Method

Add phase A into a heat resistant glass beaker. The hot water will dissolve the pasty sucrose cocoate. Add phase B to phase A and stir well but avoid the formation of foam. Add phase C to phase A/B and stir again.

#### Properties

Basic very mild face cleanser with moisturizing sucrose cocoate emollient, will not dry out skin instead gentle cleanses and moisturizes. Additional active ingredients such as aloe vera, provitamin B5 or herbs can be added to phase C. This cleanser has a thin to medium thick consistency.
