

Soothing Herbal Facial Wash

(Sample Recipe for Willow Bark Extract)

Soothing Herbal Facial Wash

Phase A	Weight %	For 100 g / 3.6 oz (by weight)
Distilled Water (diluent)	62 %	62 g / 2.2 oz
Coco Glucose Surfactant	25 %	25 g / 0.9 oz
Willow Bark Extract	10 %	10 g / 2 tsp
Aloe Vera 10x Concentrated	2 %	2 g / 1/2 tsp
Phase B		
Phenoxyethanol/SA (preservative)	1 %	1 % / 24 drops

Method

Add phase A one by one to a disinfected glass beaker and stir well. Add phase B to phase A and stir well. Package into a bottle with a pump spray head. Use with a cotton pad or spray into wet hands and cleanse face. www.makingcosmetics.com.

Properties

Mild wash for the face with anti-irritating and soothing willow bark extract and aloe vera. Ideal for the acneic skin or teenage skin.
